Operations Team Leader | DHL eCommerce Spain

ABOUT ME

Operations Team Leader with 9+ years of experience in logistics operations, warehouse management and team leadership within DHL eCommerce Spain.

I believe the strongest operations are built through people. Throughout my experience in logistics operations, I have focused on creating strong professional and personal relationships within teams to maximize performance, commitment and operational success.

My leadership style combines communication, trust and high standards to build efficient teams capable of performing under pressure while maintaining a positive work environment.
